

Lifetime Key Breakage Warranty

The **ASSA**® *Desmo* key is warranted against breakage, under normal operating conditions, for the lifetime of the key. If the **ASSA**® *Desmo* key breaks, the key(s) will be replaced at No Charge to the customer. The warranty does not include replacement necessitated due to damage caused by physical attack, improper usage (vice grips, pliers, etc.), or modifications to the key. This warranty does not cover normal key wear. Any replacement outside the scope of this warranty shall be at the current rates and terms then in effect.

This warranty is valid only on **ASSA**® *Desmo* keys as supplied by Abloy Security, Inc., Irving, TX or an Factory Authorized Service Center.

If the **ASSA**® *Desmo* key fails as warranted above, your sole and exclusive remedy shall be replacement as provided above. In no event will Abloy Security or its parent company be liable to customer or any third party for any damages in excess of the purchase price of the product. The liability of Abloy Security is limited to the free replacement of broken key(s) in accordance with the provisions of this clause, and except as provided herein in all conditions warranties, terms, or representations, whether express or implied, statutory or otherwise, and all other obligations or liabilities on Abloy Security's part as to quality, merchantability or fitness for a particular purpose of the goods are hereby excluded. Abloy Security will not be liable for personal injury or property damage caused by Abloy Security's negligence, or for loss of profits or other incidental or consequential damages, arising out of or in connection with the goods or the use, delivery, or performance thereof.

In the unlikely event warranty service is required: Call your Factory Authorized Service Center. Then mail or ship the broken key(s). All parts of broken key(s) must be included and properly packed and insured, with all inbound shipping charges prepaid. Abloy Security is not responsible for uninsured key(s) lost or damaged in transit.
